## **Tax Manager**

We are looking for CPAs who thrive on learning and growing, with a minimum of five years of experience to help our clients.

This is a great opportunity at a growing CPA firm. Team members work directly with partners and consult directly with top management at client businesses. You won't get lost in the crowd.

Flexibility is important. Our team members provide accounting, tax and consulting services to clients.

### Key skills:

- Excellent communication skills
- Work well with others
- Provide outstanding client service
- Motivated to accept new challenges and learn

You get the benefit of working with a local firm with national resources through our affiliation with CPACONNECT. You benefit and our clients benefit.

Training is important. Our team members average over two times the required CPE hours. Renée Hazel, one of our partners, works with you to customize and maximize your training opportunities to boost your career and ability to work with clients. Combine national, state, local and office training opportunities, for both technical and soft skills. We want you to be the best you can be.

### Benefits include:

- Individualized career opportunities – at the pace you choose
- Growth oriented – in volume and capabilities
- The opportunity to work hard and be rewarded for your contribution
- Successful, appreciative clients

We are currently looking for a tax manager with good engagement management and supervision skills. Experience with advanced C and S corporation opportunities is important. Experience with estate and gift, international, and partnership is a plus.

We are always looking for people who will contribute. Over a third of our client services are consulting services. Key to this service approach is to hire the best people before the need. So, send your resume if you are interested in joining us, even if your expertise does not fit the description above.

Apply if you are up to the challenge. Howard Loomis is the contact person. E-mail your resume to [jobs@loomiscpas.com](mailto:jobs@loomiscpas.com) or fax to 408.385.3499. Contact Howard at 408 558-4130.
